POST TEXT

Behind Hope Hospital is a vision for world-class care in Central India.

Dr. B.K. Murali (MS Orthopaedics) — Founder & Chairman-cum-Managing Director of Hope Hospital — has performed 5,000+ surgeries and built Central India's first NABH-accredited super-specialty hospital, serving Nagpur and Vidarbha since 2004.

Experienced leadership, advanced orthopaedic and multi-specialty care, and a commitment to every patient who walks through our doors.

Kidney treatment shouldn't be out of reach.

At Hope Hospital, dialysis, kidney stone surgery and kidney transplant are covered cashless under Ayushman Bharat (PM-JAY) and MJPJAY — for eligible cardholders.

Our dedicated PMJAY desk handles eligibility checks and pre-authorization, so you can focus on getting better, not on paperwork. NABH-accredited care, Kamptee Road, Nagpur.

POST TEXT

Your kidneys rarely complain — until the damage is done.

 Warning signs you shouldn't ignore:

- Swelling in feet, ankles or face
- Foamy or blood-tinged urine
- Uncontrolled high blood pressure
- Rising creatinine on blood tests
- Persistent fatigue or loss of appetite

If you live with diabetes or hypertension, a simple kidney function test is wise. Early care can slow kidney disease significantly.

Hope Hospital's nephrology team is here to help, Kamptee Road, Nagpur.
